Farewell from the Instructors

Dear Students,

We had a great experience of sharing knowledge and exchanging ideas with you during the past six weeks. It was all made possible with your effort and participation in the course. You may now view your final grade on the **Progress** page. After 11 Dec 2015, those who are qualified for the Honor Code Certificate or Verified Certificate will be able to download it from the **Dashboard** on edX site.

Before we say our goodbyes, we will be grateful if you would spare some time to complete the **Post-Course Survey** which is open until 14 Dec 2015. Your feedback is valuable to us and it will help us improve future iterations of the course.

We hope to see you at [A System View of Communications: From Signals to Packets \(Part 3\)](#) starting on 19 Jan 2016 where you can build upon what you've learnt from this course and further improve your understanding of communication systems. Thank you and all the best with your future endeavors!

Best regards,
Bert and Song
